WELCOME TO Discipleland

Our mission is to disciple children into totally committed Christ followers through a **SAFE, FUN** and **EXCITING** learning environment for all children **AGED 1 - AGED 15**. Our aim is to introduce them to a personal relationship with **JESUS**.

WHY DISCIPLELAND?

Our aim is to create an environment for your child that is **safe, fun** and **exciting**, so that they can be **equipped** with the Word of God in an age-appropriate manner. We roster Serve Team members for a specific service weekly in a class. This means that your child will always have a familiar face to see, and you have a teacher that is partnering with you to settle your child.

SETTLING TECHNIQUES:

- Chat to your child about church in the week to prepare them for Sunday.
- Check into Discipleland and 15 minutes before the start of the service.
- Let one parent check in child (possibly the parent that the child is least "clingy" to).
- Consider staying in the class for a portion of the service or even the duration of the service to build trust with your child in the environment.
